FAIRYDUST FACES PROMOTES SENIOR ARTIST

Santa Rosa, CA. May 2009— **FairyDust Faces**, Sonoma County's full service face and body art company is happy to promote artist, Clementine Lee to the position of Senior Artist. Clementine consistently gets rave reviews from clients and is universally loved by the children she works with.

As a professional childcare worker and mother of two, Clementine always has her hands in one art project or another, including painting realistic sea life murals at her preschool, sewing theater costumes, making jewelry, or working as a freelance hair stylist. When not spending time with her daughters, Clementine holds down the second chair at all **FairyDust Faces** public events.

Clementine has proven her mettle by painting fast and furious at Relay World-Wide's Mexico Vs Sweden Soccer match where she painted flames and soccer balls for five hours straight, and at San Francisco festivals of 30,000 or more. With style and aplomb Clementine can easily switch gears and face paint for small groups of preschoolers.

Karen Baker, founding artist of **FairyDust Faces**, is extensively committed to the success of art instruction in public schools and to the success of local youth organizations, and teaches art and creativity through the Rohnert Park Parks and Recreation Department, the Sonoma County Library System as well as to private groups and individuals. **FairyDust Faces** can transform your average corporate event or private party into a show-stopping crowd-pleaser. Guests can choose from fabulous face painting, glitter or airbrush tattoos, or awesome original henna designs. Experience the magic of FairyDust!
