### **FAIRYDUST FACES TO OFFER FREE HENNA CLASSES**

Santa Rosa, CA. April 2010— **FairyDust Faces**, Sonoma County’s full service face and body art company will once again be offering a series of 11 free henna workshops for teens through the Sonoma County Library system. Beginning in June, just in time for summer vacation, **FairyDust Faces** and the library system will be teaming up to help teens explore their creativity. The complete list of free library classes can be found at: [www.FairyDustFaces.com](http://www.FairyDustFaces.com)

Henna, or Mehndi, originated in the hot climates of the Middle East, India and North Africa. Mehndi has been used in body art for over 5000 years. Local teens will get a chance to explore the history and traditional designs of Mehndi as well as develop and apply their own unique tattoo design. Henna tattoos can last from a week to three or longer depending on individual variables.

Karen Baker, founding artist of **FairyDust Faces**, is extensively committed to the success of art instruction in public schools and to the success of local youth organizations. She teaches face painting in schools as well as ‘storytelling for children.’ **FairyDust Faces** can transform your average corporate event or private party into a show-stopping crowd-pleaser. Guests can choose from fabulous face painting, glitter or airbrush tattoos, or awesome original henna designs. Experience the magic of FairyDust!
