FACE PAINTER PAINTS SONOMA COUNTY – ONE FACE AT A TIME!

Santa Rosa, CA. April 1, 2009— “Oh my gosh, are you ok” that’s what a mom asked my son after his face was painted at his kindergarten graduation. His face painting was so bad she thought he had been in an accident; he did not resemble the cute leopard I was going for. That comment began my quest to become the world’s best face painter and body artist and **FairyDust Faces** was born! That unfortunate incident was many years ago and now, after years of training, workshops, and classes with internationally known artists I am proud to say I have painted a multitude of leopards, tigers, spiders, unicorns, super heroes and princesses – all of whom are completely adorable and picture worthy. Since the early days we have also branched into glitter and airbrush tattoos as well as henna art and body painting. In fact we are the only full service face and body art provider in our area and our loyal fan base increases daily. We have entertained at private parties of eight and painted at festivals of 100,000.

FairyDust Faces has the ability to calmly sit with a child in a bustling festival atmosphere and make them feel like theyre the most important person in the world. The one-to-one attention is something children thrive on and when their masterpiece is done, and they look in the mirror, words cannot express the delight and sparkle in their eyes. They often return repeatedly to look at themselves as they are so amazed at what they see and are thrilled at their own reflection.

Karen Baker, founding artist of **FairyDust Faces**, is extensively committed to the success of art instruction in public schools and to the success of local youth organizations, and teaches art and creativity through the Rohnert Park Parks and Recreation Department, the Sonoma County Library System as well as to private groups and individuals. **FairyDust Faces** can transform your average corporate event or private party into a show-stopping crowd-pleaser. Guests can choose from fabulous face painting, glitter or airbrush tattoos, or awesome original henna designs. Experience the magic of FairyDust!
